Please keep in mind that while students are allowed to bring mobile phones, they must be powered off and kept zipped in bags throughout the day. Students will be fully engaged in the activities and with their peers, without distraction. The trip leaders will provide a fixed time in the evenings for students to use their phones to call their parents. Students should not bring their laptops on this trip.

Please do not call or text your children directly during the day, as they will not be in a position to respond. In case of emergency the first point of contact should always be Dr. Volpe. Ms. Shanks and Coach Vic are also always available. We are ready to assist with resolving any concerns that arise.

Should you have any further questions in preparing for the trip please contact your student's Advisor. Thank you for all of your support! It's going to be a great week.

Coach Vic
China Go! Coordinator
