Hello Grade 6 parents!

We are now less than a week away from this year's China Go! trips and the excitement is beginning to be felt in the hallways. Please be sure to check the packing list [HERE](#) and make sure that your student has what they need in order to have the best experience possible.

Please remember that all Grade 6 students will ride their normal school bus to school on Monday morning. Once they are at school, they will transfer their bags and themselves to the China Go! bus that will take them to Moganshan. Providing all goes well, the **bus will depart SCIS-Pudong at 8:30am.**

On Thursday, the bus will return from Moganshan to the SCIS-Pudong campus and should arrive **around 2pm.** Students will come home on their normal school bus and be taken to their normal bus stops at 3pm dismissal.

On Friday, all Grade 6 students are expected to be back at school during the normal hours for a full day of special activities designed to consolidate their learnings from the week and promote reflection on their experience.

Please keep in mind that while students are allowed to bring mobile phones, they must be powered off and kept zipped in bags throughout the day. Students will be fully engaged in the activities and with their peers, without distraction. The trip leaders will provide a fixed time in the evenings for students to use their phones to call their parents. Students should not bring their laptops on this trip.

Please do not call or text your children directly during the day, as they will not be in a position to respond. In case of emergency the first point of contact should always be Dr. Volpe. Ms. Shanks and Coach Vic are also always available. We are ready to assist with resolving any concerns that arise.

Should you have any further questions in preparing for the trip please contact your student's Advisor.

Thank you for all of your support! It's going to be a great week.

Coach Vic
China Go! Coordinator
